

# Subject Access Request

The General Data Protection Regulation (GDPR) allows you to find out what information is held about you, on paper (manual records) and computer records (electronic records). This is known as a 'subject access right' and applies to Electoral Registration, Valuation Roll and Council Tax Valuation List records, as well as any other personal information we hold about you.

In some circumstances access to your records may be limited or the information may be partially redacted, for example, if the records you have requested contain information relating to another person.

If you would like to make a subject access request, please contact the Assessor by email at [privacy@grampian-vjb.gov.uk](mailto:privacy@grampian-vjb.gov.uk) or write to the address on page 2. You are entitled to receive a copy of your records free of charge, within a month.

In certain circumstances, where there is a lot of information being requested, this may be extended to three months. If this is the case, we will always contact you and advise you of the expected timeframe.

We will require you to provide proof of identity before we release any information, for example, a scanned copy of your passport or drivers licence. All subject access information issued via the mail/postal service will be issued recorded delivery. If, after you receive this information, you decide that you no longer require it, you should ensure that the information is securely disposed of.

## **Subject Access Request form**

**This form is for any person who wishes to apply for access to personal data held by the Grampian Assessor, the Grampian Electoral Registration Officer or Grampian Valuation Joint Board. Please read the Subject Access Request Guidance Notes below before completing this form. A separate form should be completed for each individual.**

**NOTE: This is not a mandatory form** – Subject Access Requests made in other formats will also be accepted but this form is designed to speed up the process.

## **Subject Access Request Guidance**

**Please read before filling in the Subject Access Request Form**

**Which sections should I complete?**

**Sections 1, 2, 3, 4 and 5** should be completed for all applications.

**Sections 6, 7 and 8 (Representative Details and Authority to Release Information to a Representative)** should only be completed if the application is being made by a representative (i.e. someone other than the data subject themselves e.g. a solicitor).

**Section 3 (Proof of the applicant's identity)** - If you do not have any of the forms of identity listed, we may accept alternatives for consideration.

This form is designed to assist the process of making a subject access and, as a consequence, may speed the process up; but it is not mandatory, all subject access requests made in other formats will also be processed.

**What information will help with the processing of my subject access request?**

Identification of relevant records will be easier if you can provide any references issued by GVJB, the Assessor or the ERO relating to applications you may have made, information provided, or on any other form of communication.

## What information does GVJB, the Grampian Assessor & ERO hold?

GVJB, holds information relevant to current, former or prospective employees with GVJB. The Assessor holds information relevant to the compilation and publication and maintenance of the Valuation Roll and Council Tax Valuation List. The ERO holds information relevant to the compilation and maintenance of the Register of Electors.

## How long will it take to get my data?

Once we are satisfied that you meet the criteria for disclosure of data under the General Data Protection Regulation (GDPR), and have provided sufficient information, you should receive a response within one month from the date that we accept your application for processing.

Records may be held in several different locations in paper and electronic formats. If you only require specific information and you clearly state what that is – for example a specific document, then you are likely to get a quicker disclosure.

## General Notes

1. We will acknowledge your application
2. The documents that you receive may have data redacted (blacked-out). This is because we cannot release that information to you under the Data Protection Act, e.g. another person's data. We will not disclose information by fax or telephone. Disclosure by post is usually issued by recorded delivery post to the address you provide in section 2 or, if appropriate, to your representative named in section 6. If, after you/your named representative receive this information, you decide that you no longer require it, you should ensure that the information is securely disposed of.
